# BEIJING FOREIGN STUDIES UNIVERSITY (BFSU)

Beijing Foreign Studies University, or BFSU, is a prestigious university in China under the direct leadership of the Chinese Ministry of Education. It is one of China's top universities listed under the Project 985 and Project 211, both comprising top universities in China. At present, BFSU is one of China's oldest language universities, teaching the biggest number of languages and offering education at different levels. Located in the Haidian District of Beijing, BFSU is divided into two campuses - the West Campus and the East Campus.

## ABOUT US

"All the cultures in the world are connected together". Our mission is to introduce China to the world. Department of Chinese Language and Culture Education focuses on exchanges between Chinese and foreign cultures and is equipped with outstanding faculty and unique training modes. We have explored broad areas such as Chinese language, traditional Chinese culture, business Chinese, business in China, education travel for overseas students and overseas Chinese, teacher training, textbook compilation, training and selection of TCSL teachers. We have achieved fruitful results in the above areas. In the future, we will conduct theoretical researches for Overseas Chinese Language and Culture Education and explore new ways of development.

# PROGRAMS

## 1 · Chinese Language Programs

### ➤ Semester-long Chinese Language Programs

The class is open to international students who love Chinese Language and Chinese culture. Instruction is divided into elementary, intermediate, and advanced levels. Students are arranged into suitable classes according to the results of the Chinese placement test at the beginning of the semester. Besides Chinese language studies in the classroom, we also offers program students a series of activities to experience Chinese culture and get a deeper understanding of China. The spring semester is normally from February to July, and the fall semester is normally from September to January.

### ➤ Short-term Chinese Language Programs

The classes mainly focus on listening and speaking, as well as reading and writing, so as to enhance students' language abilities at different levels. Short-term Chinese classes are suitable for those who want to learn Chinese, improve their language skills and are interested in Chinese language and Chinese culture. Our teachers are professionals with rich experiences and advanced teaching methods. The curriculum is flexible and students can choose the classes as follows:

Weekday classes: 4 weeks, 6 weeks, 8 weeks, and 10 weeks;

Weekend classes: 8 weeks and 10 weeks.

### ➤ HSK

Our HSK Classes start two weeks before every month' s test. Students are taught by experienced teachers who are specialized in each HSK test item. The number of students in each class is strictly restricted and all students will receive targeted guidance

from teachers, along with plenty of exercises and model tests. We use our own textbooks, which perfectly fit HSK tests. The textbooks cover pronunciation, grammar, vocabulary, all-around training of listening, speaking, reading and writing skills, answering skills, model test and analysis.

## 2 • CHINA STUDY TRIP

Provide overseas students with opportunities to experience Chinese language, and understand more about Chinese culture. We currently offer the following options:

China study trips: 5days, 8 days, 15 days, 21 days, 30 days, 60 days and tailored group.

## 3 • Business Chinese

To meet the business demand of foreigners in China, we have opened business Chinese class to improve their language abilities.

### Curriculum characteristics:

1. Provide the most suitable individualized training system based on your company' s schedule.
2. Help you learn about China' s national conditions and trade.
3. Provide you with systematic and professional courses taught by experienced teachers for each test item.
4. Design business scenes to improve your language abilities.

### VIP Class

1. We provide free tests to decide your Chinese level.
2. Design the most suitable curriculum, teaching modes and price for your work plans.
3. Provided personalized teaching based on your Chinese level and requirements.

## 4. Cooperative Programs

BFSU encourages international communication and collaboration through its partnerships with respected universities and institutions from around the world. The programs are aimed at promoting social and cultural interaction between China and the world. BFSU hopes to work with other notable overseas universities and institutions to create many more programs where students can study at the university. We welcome interested parties to contact us.
