Studies are held in the Russian language. Those who don't know Russian can attend Russian language courses.

Short-term (1-2 week program) training (professional development) can be organized in the University's branch "Institute for retraining and professional development" (hereinafter – branch IRPD).

Information about the courses can be found at this link: http://rescuetraining.by/eng/images/documents/Educational_programs2016.pdf.

By the link: <http://ucp.by/language/english/specialties-and-retraining> you can also find information on retraining of command staff who already have higher education. Specialities for retraining are: Prevention and elimination of emergencies, Safety of people, objects and territories at emergencies, Fire and industrial safety, Engineering of safety at construction objects and others.

There is also possibility to organize training of 1-2 persons in branch IRPD at the expense of the Organization of the Prohibition of Chemical Weapons (OPCW) on the educational program "Chemical weapons protection" in 15-26 May, 2017. This training is conducted in Russian. Training, medical insurance, welcoming and delivery to Airport "Minsk", hotel rooms at branch IRPD, three

meals a day, printed handouts, stationary set, special clothing for practical exercises, sports facilities, week-end cultural visits, photo with the leadership, all these options are paid by the OPCW.

Information on such kind of training is usually posted on OPCW website: www.opcw.org. If there is interest in such kind of training, it is advised to send to us contact details of person who is in charge for staff training (name, surname, job position, contact number, e-mail) by our e-mail: smippk@yandex.ru. All the information concerning this training will be send to this person.

University conducts training for foreign specialists since 2003. At present more than 4000 foreign fire-fighters and rescuers from 48 countries have passed training at the University.

If you need more information on any of these types of training, please feel free to contact us: tel. +375-177-76-50-75, +375-177-77-27-59, fax +375-177-77-27-75, e-mail: smippk@yandex.ru.
